## TO WHOM IT MAY CONCERN.

MAYSVILLE, KY., June 25th, 1904

Mr. Thomas A. Davis, Editor of Public Ledger—Dear Sir: In your issue of yesterday you publish a notice concerning a warrant issued against Frederick Cablish, and stating that it was sworn out by me.

This is a mistake. The charge in the warrant is not true, and the warrant was not sworn out by me nor with my consent. Respectfully,  
BERNICE CARPENTER.

## HERE'S A CHANCE!

A Good Electrician Can Find a Nice Opening Here.

A young man who has good knowledge of electricity, and the installation of electrical devices, ought to do well in this city.

THE LEDGER believes there is a promising future here for the right party.

Already a number of houses are fitted with modern devices, and many more would be if the owners were approached on the subject by an expert electrician.

## BIG FREIGHT WRECK

Traffic on C. and O. Delayed Several Hours Yesterday

Sixteen loaded coal cars on the C. and O. were totally destroyed in a wreck which occurred at 2:40 yesterday morning in the cut near Blue Sulphur Springs, W. Va.

As a result traffic on the road was suspended for several hours until trains could be made up in Huntington to transfer passengers and carry them to their destination.

While train No. 755 Westbound was speeding along the cut a flange on one of the wheels of a coal car broke and before the break was noticed the car was derailed and fifteen other cars were piled up on top of the one.

The cars wrecked were in the middle of the train and after sixteen of them piled up the balance of the train was checked, which saved the tail end from destruction.

Fortunately none of the crew were on any of the cars when the mishap occurred.

The loss is estimated at about \$3,000.

## BUSINESS ACTIVITY

Lower Grade Now Looks Like Them Good Old Times

The coal industry at the lower grade has taken on new life and presents an animated appearance. It has been many years since such business activity has been seen in that part of the city.

With Joseph H. Dodson's Coal Elevators in full blast and the Gable Bros' new-fangled process for assisting their teams in hauling coal up the steep grade, there is enough going on to employ quite a little army of men.

Such industries are the life and sinew of our city. Boom every new enterprise; it gives the idle an opportunity to earn an honest living.

WHENEVER the people fail to elect a Democrat to office in Kentucky, the job is done through a partisan Court.

THOSE indifferent citizens who didn't think it worth while to go to the registration places last Tuesday and procure a "Certificate of Registration," may realize their mistake when they go to vote this fall.

EVERY time the Courts get a whack at the "closed shop" proposition, the closed shop gets a black eye: and the first thing you know there won't be a Court in the land that will have the Union Label on it.

FOR the building of the proposed tobacco warehouse, fully \$20,000 will be paid out to workingmen, the biggest part of which will find its way into the stores of the city and for the rent of houses. Every man who sells groceries or who owns a house should be in favor of building the sewer, which means the building of the warehouse.

AFTER all, Governor BRADLEY seconded the nomination of ROOSEVELT on behalf of Kentucky, and it was done in a speech such as no other Kentucky Republican could make. After recounting the outrages perpetrated upon the Republicans of this state, "under the forms of law," the Governor concluded—

"We are nerving ourselves for the coming conflict, and in November next hope to break the chains which partisan legislation has thrown around us and restore freedom to the state which gave birth to ABRAHAM LINCOLN and holds within its bosom the ashes of HENRY CLAY."

In Cincinnati "the Pike site" seems to be the uppermost thing by a dam site.

ANOTHER of BRISTOW's "Postoffice thieves" has passed the ordeal and come out unscathed. The report of Assistant Attorney General CHARLES H. ROBB on the investigation of alleged irregularities in the bureau of Third Assistant Postmaster General EDWIN C. MADDEN in connection with the printing and disposition of specimen postage stamps has been submitted to the President. It finds nothing improper in Mr. MADDEN's conduct, and says the practice of the gratuitous distribution of a limited number of these books has obtained in the Postoffice Department ever since postage stamps were first printed. It is now in order for Mr. BRISTOW, late of Fleming county and Kansas, to come again some more.

THE legal aspects of the "closed shop"—that phrase being interpreted to mean contracts between employer and employee, or their associations, not to employ other than members of certain organizations—has recently been passed upon by the Appellate Court of Illinois in a decision which probably has not received the attention which its importance merits. The question of the legality of a contract of this character has frequently been discussed, but so far as is known it is safe to say has never heretofore been specifically passed upon by the Courts. It is this fact that makes the decision of the Illinois Court of such interest and importance. The Court holds that such a contract is in violation of the Fifth and Fourteenth Amendments of the United States Constitution, is in violation of the Constitution of the state of Illinois, and is in violation of the criminal statutes of that state. Employers who under duress are forced to sign exclusive contracts with Unions are guilty of an unlawful act, and when they do so voluntarily they are guilty of criminal conspiracy under the laws of Illinois.

When the fall trade opens between Cincinnati and Pittsburgh, rivermen anticipate a rate war between the Pittsburgh-Cincinnati Packet Company and the White Collar Line. It is reported that the White Collar Line has arranged

a schedule for its big steamer Indiana to open the new trade and fight the opposition. This is given some credence among rivermen, since the Pittsburgh Packet Line's steamer, Virginia, for the first time in ten years, accepted freight at this point a few days ago, which heretofore has always been left for the White Collar Line boats. The rumor is substantiated by the fact that the Indiana is not in any trade and could well be spared for up-river business.

It is not known who invented the piano, the credit being variously given to Christopher Gottlieb Schroeter of Saxony, Marius of France, and Bartolomeo Christofali of Italy. The latter had completed four instruments in 1709, and two dated 1720 and 1726 still exist.

The discharging of a teacher in the common schools by the Board of Education of New York City because she married, was declared illegal by the Court of Appeals. Passed Stone and Gravel With Excruciating Pains

Other medicines only gave relief. After taking FOLEY'S KIDNEY CURE the result was surprising. **Perfect Health for All Women.**

**Zoa Phora Will End Your Troubles and Make Your Life a Joy—It Has Always Done This for Women and Always Will.**

**FREE TRIAL BOTTLE TO ALL WOMEN.**

No matter how many doctors have tried and failed, no matter how many remedies you have used without results, Zoa Phora will cure you and your cure will mean something. It will be complete and perfect and permanent. It always has done this and always will. All the women who have suffered from any of the diseases peculiar to their sex and who have used Zoa Phora are today rejoicing in the security of perfect health and all the happiness it brings.

Zoa Phora cures all diseases and irregularities of women, misplacements, leucorrhea, suppressed and painful periods, flooding, piles, kidney, bladder and liver troubles and regulates the change of life. Not a mail arrives that does not bring letters from women who have been cured of some of those terrible diseases and whose lives have been made happy by the noble and wonderful work of Zoa Phora.

Mrs. George Sidle, McClure, Ohio, R. F. D. No. 1, says: "I was so nervous and broken down that I could not do my work. I doctored with two of our home doctors, and they said I had heart trouble. I had spells with my heart when it would beat so hard and then I would faint away. I received a sample bottle of Zoa Phora, which I took according to directions, and I thought it was just what I needed, so I threw the doctor's medicine away and got a large bottle of Zoa Phora. It helped me so much that I bought two more bottles, and now I am well and strong. I do not have the spells with my heart since I began to take Zoa Phora. I was very irregular and had severe pain at monthly periods. I have found it to be truly a 'Woman's Friend.'"

"If anyone calls in person or writes to me, I will give them the particulars in my case. I hope this will help induce some suffering woman to try Zoa Phora."

Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, "Dr. Penzley's Advice to Women." The doctor will gladly give free medical advice when needed. Zoa Phora is for sale at \$1.00 a bottle by all druggists.

**A CONTINENTAL STRAIN.**

Many men and women are constantly subjected to what they commonly term "a continental strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continental strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continental strain." Trial bottle of August Flower, 25c; regular size, 75c. Sold by Henry W. Ray, Post-office Druggist.

**ASK YOUR NEIGHBOR.**

Hundreds of Maysville Citizens Can Tell You All About It.

Home indorsement, the public expression of Maysville people, should be evidence beyond dispute for every Maysville reader. Surely the experience of friends and neighbors cheerfully given by them will carry more weight than the utterances of strangers residing in far-away places. Read the following:

Mr. C. L. Hubbard, dairyman, of 325 West Third street, says:

"I have the greatest faith in Doan's Kidney Pills. The use of less than one box ended a disturbed condition of the kidneys and an inflammation of the bladder. After sometime it returned but in a lesser degree, and I procured another box of Doan's Kidney Pills at J. James Wood & Son's Drugstore. Use of it substantiated the opinions I had already formed of this effective preparation."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
